A WORD FROM PASTOR

**“The best is
yet to come!”**

A WORD FROM PASTOR

First and foremost, thank you for joining us on this journey and welcome to the 2026 Retreat & Leadership Conference. We hope you will soon discover the powerful investment you are making over the next 2 days. It will NOT be time wasted. You will have the unique opportunity to meet fellow believers in Jesus from all over the world. This is a great time to sharpen the iron of your sword. Ask questions, exchange information, and do as much troubleshooting as time will allow. This is your time to gather as much knowledge you can so you can go back to our communities and serve well. The best is yet to come!

Pastor Michael Willard

A WORD FROM CHIEF OF STAFF

A WORD FROM CHIEF OF STAFF

Hello CCG Family! As we prepare for the upcoming Climb Conference, I want to encourage you all to approach this experience with open hearts and open minds. This is an incredible opportunity for personal growth and spiritual renewal. Be prepared and attentive to God's voice and the wisdom that will be shared. As you prepare your hearts and minds for Climb, trust that God will use this time to deepen your understanding of his purpose for your life and leadership role. Believe that everything you learn and experience during this time is part of God's plan to equip you for the vital work that he has set before you.

Remember, leadership is not about a title or a position. Leadership is about serving others in love, humility, and in the direction that the Holy Spirit leads you to do so. I pray that this conference will strengthen the resolve of each person to lead with the heart of a servant and the attitude of Christ. Let this be a time where you set aside all distractions and allow God to move within you with no selfish agendas or interests. Our church, community, nation, and world are in need of strong faithful leaders who will share the Gospel of Jesus boldly and unashamed. I am confident that we will return from Climb ready to continue serving, and greatly impacting and expanding His Kingdom.

With Love,

Trevor Murr, Chief Of Staff

WHAT YOU NEED TO KNOW...

Be Casual & Comfortable

Attire is very casual. Dress comfortable; jeans, joggers, sneakers etc... Comfortable shoes is a must. OCC | Plano & McKinney Campus 's are a decent size building; you will be walking a lot. Having a backpack to collect content or to carry your items is very beneficial. **The temperature is expected to be on the cold side so remember to bring extra layers of clothing.**

All updates will be sent through the CCC text # 432.218.2610.

Be Attentive

Leaders... We are a small but powerful, organized, well-quipped group of leaders. You may find yourself in a Breakout Session you would NOT have perhaps chosen for yourself, but we are needing everyone to spread out and gather as much leadership content as we possibly can gather for the purpose of returning it back to Cornerstone Covenant Church and the surrounding areas.

Be Sociable

This is a great time to spend getting to know one another in a way that may not be afforded to you back home. Please seize upon the moment to laugh, talk and train together. Use the opportunity to also get to know others from across the United States and overseas and learn new innovative ways of doing things that will add value to your life and the lives of others. This is also a great time to take pictures, write lots of notes, and ask questions.

LET'S GO TO BATTLE

- 1 Now, that you are at the conclusion of this 2026 Leaders Retreat/Conference we now have the opportunity to be leaders in the movement.
- 2 People need vision and vision needs people.
- 3 God selects leaders for the purpose of simply directing & motivating others, but leaders must also be followers.
- 4 Don't declare who you are over; unless it can be confirmed who's leadership you are under.
- 5 Ask questions often of your leader to confirm vision, direction & ensure proper alignment.

WE ARE HIS ARMY!
